Demand to Dismiss Case & Impose Severe Sanctions

Respondent: Kyle Schmierer

Docket Control Arizona Corporation Commission 1200 West Washington Phoenix, AZ 85007

AZ Corporation Commission Securities Division continues to deny me due process and basic legal rights guaranteed by the US Constitution to be able to confront my accusers and question essential witnesses. The immoral scoundrels at the Securities Division continue to block information I need to defend myself. They continue to cover up their illegal extortion efforts and try to exploit their close relationship with the judge, my lack of legal knowledge, and my inability to hire an attorney in order to abuse their power with lies, threats, continual efforts to block witnesses and hide the truth, and hide their evil attempts at extortion.

When a government agency ruthlessly, callously, and continuously abuses its power and unjustly persecutes a law abiding citizen merely trying to fulfill his dreams and create much needed jobs, it is not only morally despicable but a threat to freedom and a cancer infecting our fragile democracy.

There can be no excuse and no justification for threatening me with felony charges unless I paid a \$5,000 fine when I did nothing wrong and when the division has no authority to charge a felony for there trumped up charges. This is the text book definition of extortion! There can be no excuse and no justification for blocking the names and contact information of witness I must have to defend myself. This is abuse of power. The behavior of the Securities Division is outrageous. This agency is out of control and must be stopped!

Whereas, the AZ Corporation Commission Securities Division has from the beginning and continually lied to the Respondent, this case must be dismissed immediately without prejudice or delay. Whereas, the AZ Corporation Commission Securities Division has from the beginning and continually abused their power with complete disregard for democracy and the intent of the legislature that created the securities laws, this case must be dismissed immediately without prejudice or delay.

Whereas, the AZ Corporation Commission Securities Division has conducted unfair business practice by abusing their authority of a state agency, this case must be dismissed immediately without prejudice or delay. Whereas, the AZ Corporation Commission Securities Division has from the beginning and continually practiced harassment, intentional misrepresentation, and breach of fiduciary duties in the pursuit of a malicious prosecution, thereby, this case must be dismissed immediately without prejudice or delay, if fairness and justice are of any import to this court.

Because such malicious prosecution and attempted extortion have prevented Respondent from raising money for his business to create jobs and tax revenue for the state and federal government, and to prevent such illegal and immoral behavior in the future, the Arizona Corporation Commission Securities Division should be additionally sanctioned a minimum of \$1,500,000.00 USD for abuse of power, malicious prosecution, blocking witnesses and essential information and attempted extortion.

Sincerely, Kyle Schmierer 1-14-2010
